

An aerial photograph of the Alila Kothaifaru Maldives resort. The image shows several modern, rectangular buildings with large glass windows, built on stilts over the ocean. The buildings are illuminated from within, and their lights reflect on the water. The sky is a vibrant mix of orange, pink, and purple, indicating a sunset or sunrise. In the background, a line of palm trees is visible on the island. The overall atmosphere is serene and luxurious.

# Blissful Easter

## CELEBRATION

Our island is an ideal location for a family getaway this Easter break, where you can relax in nature-immersed luxury, embark on new adventures together, and celebrate the occasion with memorable wellness and culinary offerings.

On Easter weekend, Play Alila will entertain your little ones with a wide range of festive island-inspired activities, such as Easter egg decorating, arts and crafts, a kids' pool party, face painting and much more. For something more relaxing, Spa Alila has prepared fun packages for parents and children to enjoy some quality time together.

Join us on a Sparkling Underwater Egg Hunt with the chance to win a special prize of a unique clutch made of Swarovski crystals, designed by @marinaraphaelofficial, worth 2800 EUR.

For more info, please contact your personal host.
