FAMILIES AT CHEVAL BLANC SEYCHELLES

The well-being of families is a key element of Cheval Blanc Seychelles' Art de Recevoir. We offer a variety of specially tailored amenities, bespoke food and beverage menus, made-to-measure activities and events to ensure that every guest, from the youngest to the young-at-heart, is well looked after.

Le Carrousel kids' club is a haven for children aged from 3 to 12 years, featuring pirate-themed adventures and playful activities in an incredible 250 sqm indoor treasure cove, complemented by over 1,300 sqm of outdoor fun with its waterpark. This includes a fully-equipped playground, two pools with slides, and a splash pad – all under the watchful eye of our dedicated Ambassadeurs. Below the age of 3, children should be accompanied by a parent or babysitter, available for little ones on request.

Children may explore a wide range of activities, from kids' yoga and nighttime ghost crab hunts, to workshops on local plants and wildlife, island treasure hunts, and much more.

Our team of Alchemists is also at your disposal to prepare specific requests and recommendations for children, teens and families prior to your stay.

LE CARROUSEL KIDS' CLUB

Le Carrousel is a delightful haven for children. Our expert and caring team of Ambassadeurs welcomes **children aged from 3 to 12 years**, offering a thoughtfully-curated programme of arts and crafts, nature-inspired activities, and sporting adventures—encouraging creativity, discovery, and lasting friendships.

Le Carrousel features four different indoor play areas including an arts and crafts cave, a soft-play space for little ones, an active games and climbing area, as well as an entertainment and table-games corner.

From a giant floor puzzle to a light-house converted into a playing kitchenette, vintage gaming stations, dress-up corners or rope-climbing structures, every age-group and every interest will find its dream activity.

Le Carrousel is open daily from 10:00 am to 6:00 pm.

Evening activities beginning at 7:30 pm are planned on a regular basis to entertain children while parents enjoy a private dinner.

THE WATERPARK AND OUTDOOR PLAYGROUND

Le Carrousel's extensive outdoor areas includes **two kids' pools**, one for toddlers featuring a spiral water slide and one shallow pond for the little ones.

A separate **splash pad filled with a range of water fountains** also invites our little pirates and mermaids to cool down while having fun in the sun.

A large **wooden boat-shaped playground** featuring slides, ramps, climbing, bridges, lookouts and much more makes this outdoor playground a real heaven for children to enjoy the Maison's tropical climate.

Children will also be able to visit the beach during fun-filled activities like Sandcastle Building and Mini-Olympics.

Family Jet-Ski Adventure

Take the whole family on a thrilling seascape adventure! Begin with a short transfer to Eden Island, Bel Ombre, or Anse La Mouche, where your exhilarating journey across the turquoise waters of Seychelles begins. Feel the wind in your hair and the sun on your face as you glide over the pristine waves, creating unforgettable memories with your loved ones. For an added touch of wonder, pause to snorkel in thriving marine havens, discovering graceful sea turtles, shimmering parrotfish, and majestic eagle rays.

Only children above 7 years old will be allowed as passenger onboard a jet ski.

FAMILY EXPERIENCES

Blue Safari

Begin with a short transfer to Eden Island and dive into the exciting world of big-game fishing, where each cast promises a thrilling challenge and the chance to reel in a legendary catch: a powerful yellowfin tuna, a swift wahoo, a majestic blue marlin, or a magnificent sailfish.

Land-Based Fishing

Experience the beauty of Seychelles' shores with our land-based fishing excursions. Cast your line into waters teeming with marine life like brown spotted grouper, bluefin trevally, and humpback red snapper. Just a short walk from the Maison, these picturesque spots offer not only rewarding catches but also breathtaking views, perfect for families and children seeking adventure. The Seychelles promises unforgettable moments for nature lovers and thrill-seekers alike.

FAMILY EXPERIENCES

Marine Conservation Society Seychelles

The Marine Conservation Society Seychelles (MCSS) is dedicated to protecting and preserving the marine environment of the Seychelles. Focused on promoting sustainable practices, the organisation conducts research, raises awareness, and engages in community outreach to safeguard marine biodiversity.

At Cheval Blanc Seychelles, the Marine Conservation Society Seychelles engages in various activities to promote marine conservation and environmental awareness. Some of these activities include:

- **Aldabra Giant Tortoise Experience:** Join us for a visit to Cap Lazare Natural Reserve and experience these gentle giants in their natural habitat.
- **Maison Wetland Kayak Tour:** Glide along the surface of the water on look out for grey heron nests hidden amongst the vegetation and yellow bitterns fishing from the banks. A MCSS staff member will be on hand to lead the way and to point the most fascinating stories during this kayak adventure.
