MENU

FUN & SPORT

Our crystal blue lagoon provides the perfect environment for Watersports, suiting both the beginner and the expert. With a wide range of non-motorized activities to choose from, your time in Faarufushi is guaranteed to be a good one.

You can pick up from:

- SUP (Stand Up Paddle board)
- Kayak
- Windsurf (for experts)

WINDSURF

Just you and the wind! Discover the sense of silence and freedom that only windsurfing can give. For more than 50 years, windsurfing it has been the unique solo way to enjoy the breeze, the waves and the sea... nowadays, we can consider it the most "natural" one! Skilled windsurfers can enjoy it for free and beginners can take private lesson with one of our instructors, feeling the unforgettable sensation of flying over the water.

CATAMARAN

Discover the crystal clear waters surrounding Faarufushi on board the new Hobie Getaway catamaran! If you want to try the sailor experience, you can request for a lesson with our instructor, or relax and enjoy a guided tour with one of our guides. If you are a sailor already you can take the catamaran out on your own after we have checked your sailing license and skills (a guide will always be with you to provide assistance and to show you the best spots around Faarufushi).

GLASS BOTTOM PEDAL BOAT

Innovative, smart and fun: discover the beauty of Faarufushi house reef with our Glass Bottom Pedal Boat. A transparent plexiglas porthole window allows lovers of sea life to observe and enjoy the marine world. Glide smoothly on the lagoon while sunbathing and exercise a bit your legs! The amazing coral reefs and its inhabitants will entertain and bring you inside the magics of the underwater world.

JET SKI

If you are looking for thrill and adventure then Jet Ski ocean ride will definitely meet your expectations. Racing on a super-fast wave runner is an unforgettable activity, giving you the chance to explore the beauty of Maldives. After a short safety briefing, you will let get the most from your ride... and, if you are not sure about driving, you may consider the option of being accompanied by our guide. From 10 y.o.: riding as a passenger. From 16 y.o.: riding as a passenger with a guide or driving on your own (the guide will be nearby on another JetSki).

TOWABLE

Spice up your day with the vibrant experience of riding a Towable. It is an inflatable seabed which is towed behind the jet ski and is one of the most thrilling tubes. It is a fun activity that anyone can enjoy, adults and children. The secure deck seating comes with a high backrest with sidewalls, making you feeling stable and safe, but the smooth flat base can go fast on the water! It can be ridden by adults or children from 12 years old by themselves, or by a child from 6 to 11 years old together with an adult.

WATERSKI, WAKEBOARD & KNEEBOARD

Why not to try them all??? Leave the wake into the water and everything else behind you! You will be towed in the beautiful Maldivian waters and you can choose if to do so on a pair of waterski, on a wakeboard or on a kneeboard. While everybody knows the classical waterski, you can give a try to the wakeboard, which is a funny mix of surfing, snowboarding and waterskiing. And if you are struggling with balance... why not try out the kneeboard? Our team will help you to begin your adventure or improve your skills with personal lessons.

FLYBOARD

Get ready for a total innovative flying adventure, swooping, diving and spinning above the water! The flyboard will makes you feel like a superhero. There's nothing compares to strapping yourself to a flyboard and experiencing the free-fly emotion. Depending on your experience and on the power you choose to use, you can fly up to 10 meters over the water. Our team will introduce you to the basics and then to more advanced skills... or if you know already everything... just have unforgettable fun!

WATER HOVERBOARD

Water Hoverboard is the groundbreaking addiction to the flying board family: you will literally "surf the sky"! It will be the most thrilling moment of your holiday: you will be able to fly over the pristine turquoise water of Faarufushi lagoon at a maximum speed of 30 km/h and up to 4 meters high. It is perfect for riders that have a bit of experience on other board sports such as kitesurfing, surfing, snowboarding, ... If it's your first time, our instructors will guarantee that you will be at least riding on top of the water like a professional. And if you are already an expert, just enjoy it in one of the most beautiful places in the world.

WATERSPORTS

DISCOVER SCUBA DIVING

Discover Scuba Diving is an exciting and easy experience, that let you safely explore the underwater world. After a small briefing on the basics, we immediately enter the water to do a series of fun exercises, to accustom yourself with the equipment. You will be diving at Faarufushi House Reef, up to 5/6 meters, together with an instructor. You can then choose to repeat the experience or have it credited for the PADI Scuba Diver or PADI Open Water Diver.

BUBBLEMAKER AND SEAL TEAM

Even children can discover the underwater world, remaining in close contact with the instructor and playing in water. Experience the thrill of a real immersion in the sea; remain in shallow waters (up to 2 meters deep), watching the fishes closely. During the Bubblemaker and Seal Team programs, the child has a personal instructor. These programs are designed for children from 8 and 9 years.

OPEN WATER DIVER

This certification qualifies you to dive with a buddy, without supervision required, applying the techniques and basic knowledge you acquired during the course. The PADI Open Water Diver is the most popular diving certification around the world: millions of people learned scuba diving through this course and now enjoy the wonders of the aquatic world. Take the first step and have a life full of emotions! To enroll in a PADI Open Water Diver course, you must be 10 years old or older, have adequate swimming skills and be in good physical health. No prior experience with scuba diving is required.

ADVANCED OPEN WATER DIVER

This course can be taken after completing the PADI Open Water Diver certification. It's titled PADI Advanced Open Water Diver because it advances your diving knowledge & skills. Now you want to discover new depths, meet new creatures, travel and experience new adventures. The course helps you to build confidence and expand your scuba skills through different Adventure Dives: you choose the ones you are more interested in! Try out different specialties while gaining experience under the supervision of your PADI Instructor.

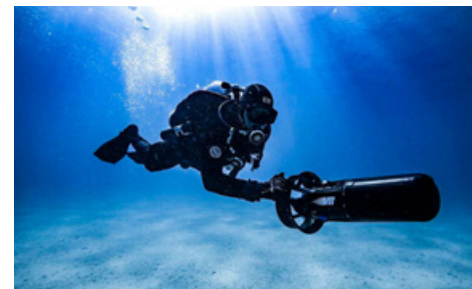

ENRICHED AIR DIVER SPECIALTY

NITROX or Enriched Air is a prodigious development in Scuba Diving and it is the most popular PADI specialty course. Diving with Enriched Air NITROX gives you longer decompression time, especially on repetitive dives. Enriched air is also healthier than air and just as easy to use. If staying down longer and getting back in the water sooner sounds appealing, then don't hesitate to become an Enriched Air Diver.

DIVER PROPULSION VEHICLE

You can explore a wider area during the dive, reducing stress and consuming less: how? With Diver Propulsion Vehicle Specialty course! The instructor will teach you how to use the DPV (Scooter) by showing you some simple procedures. Fun is guaranteed! DPV is a thrilling way for divers to see a wide underwater territory in a short amount of time. You will glide over immense reefs, cross oceanic pass, explore big wrecks and have a lot fun. DPV is a great way to expand your knowledge of the underwater universe.

OCEAN SUNSET CRUISE

Choose a relaxing and romantic cruise and experience the magical atmosphere that only a sunset over the Indian Ocean can offer. During the cruise, comfortably seated on the upper deck, you will be offered non-alcoholic cocktail and chef's special canapes. With a little luck, the silhouette of the dolphins, on a sunset background, will become the star of your photos.. Unforgettable!
