Spa

HAMMAM RITUALS

Inspired by the ancient ceremonies of Turkish baths, Hammam rituals purify and rebalance, revealing your skin's supple glow.

Turkish Royal Ceremony | 120 minutes

Indulge in all the secrets of Turkish tradition. A soft steam and scrub with black soap is followed by a relaxing foam massage, a wrap with purifying Rhassoul and a full body mask with honey and royal jelly, for soft and satin-smooth skin.

Hammam steaming. Body scrub. Foamy massage. Body wrap. Hair and scalp.

Oriental Ritual | 90 minutes

An invitation to fulfilment and serenity. This unique ritual begins with a soft steam and scrub with black soap, followed by a massage in a cloud of foam to help the skin regain its original texture and brightness.

Hammam steaming. Body scrub. Foamy massage. Hair and scalp.

Moroccan Ritual | 60 minutes

Argan oil and orange blossom water make this tailored ritual perfect for those seeking to cleanse, detoxify and feel rejuvenated.

Hammam steaming. Body scrub. Body wrap.

Traditional Hammam | 45 minutes

Experience a soft steam followed by a body scrub with nourishing black soap.

Hammam steaming. Body scrub.

Spa

SIGNATURE BODY MASSAGES

Exclusively designed for Amingiri Spa, the treatments are infused with the mystical, harmonising powers of infused signature blends. This “stress-relieving happy juice” is infused in your water or tea at the beginning of your treatment. Bring health, harmony and joy to your body and mind. Unwind with floral essences with a splash of refreshing mint.

Age Defying | 90 minutes

Deeply hydrating organic shea butter is used in this ultra-luxe deep conditioning massage. Lotus, ginkgo, and clinically-proven paracress extract firm and plump for smooth, youthful skin. An infusion of biodynamic flower essences calms the nervous system and comes with detoxifying effects.

Immune Boosting | 90 minutes

This supercharged immune boosting treatment includes upper body polishing followed by a hot stone full body massage to ease tension, initiate immune recovery and naturally strengthen resistance to disease.

Liquid Memories | 90 minutes

Select gentle, mindful aromas during your guided aroma journey ritual. These will be combined to originate a completely distinctive and personalised fragrance to be used throughout your massage, leaving a healing imprint.

ANCIENT HEALING BODY MASSAGE

Intuitive and holistic well-being techniques from the past, refined over the centuries and captured in ancestral memories of healing.

Four Loving Hands Massage

Balancing and nurturing | 60 minutes

A perfectly synchronised treatment done by two therapists, characterised by Huna’s loving hands. This treatment balances the physical, mental and spiritual dimensions with long, gentle gliding strokes done rhythmically. A beautiful way of bringing you into a total sense of well-being.

Muscle Release

Deep tissue massage | 60 minutes/90 minutes

A deeply conditioning full body massage melts away tension while the replenishing oil infusion of coconut, sunflower, safflower, passion flower and vitamin E leaves your skin cashmere-soft and provides long-lasting protection.

Traditional Thai Massage

Dry and flexible | 60 minutes/90 minutes

This traditional Thai massage is a blend of passive yogic stretches and pressure point work, performed fully clothed without oil according to the ancient traditions of Siam.

Balinese Massage

Relaxing and deep tissue | 60 minutes

Sink into bliss with a combination of gentle stretches, acupressure, reflexology, and aromatherapy to stimulate the flow of blood, oxygen and *qi* (energy) around your body, and bring a sense of well-being, calm and deep relaxation.

Therapeutic Reflex

Foot soak and reflexology | 60 minutes

Treat your soles to the healing and detoxifying power of Epsom salt and arnica-infused water, combined with pressure point reflexology to induce deep relaxation and draw toxins out of the body.

Warm Oil Crown

Head massage | 45 minutes

Patterned after the traditional Shirodhara massage of India, a luxurious blend of vitamin E, passion flower and coconut oil is drizzled over the scalp for a nourishing, sensitive-skin-soothing scalp massage and shine-boosting hair treatment.

Spa

BODY TREATMENTS

An array of nourishing wraps and fragrances to renew and revitalise your skin.

Detoxifying Spirulina Wrap

Slimming | 60 minutes

Using an all-natural, live spirulina algae, this seaweed treatment contains essential vitamins, minerals and protein to nourish and revitalise. The body is wrapped to soak up essential elements from the Spirulina Masque. The application of remineralising body crème mixed with lavender bath and body oil finishes this purifying and remineralising treatment. The wrap is very effective when used as part of a slimming or nourishing programme.

Remineralising Aloe Vera Wrap

Soothing | 60 minutes

The healing and moisturising properties of aloe vera are combined with the remineralising and nourishing properties of algae and soothing qualities of lavender in this deluxe hydrating body wrap. The treatment includes a luxurious scalp and neck massage as well as foot massage with alpine foot balm.

Age Defying Wrap

Full body | 45 minutes

Hydrating shea butter is melted and painted in long strokes onto the body, infusing the skin with vitamin E and smoothing, firming paracress extract, followed by a soothing coconut oil scalp massage.

Age Defying Polish

Full body polish | 30 minutes

A warm oil effleurage and an infusion of sugar, salt, and shea is used to gently buff, deeply hydrate dry, dull skin, and unveil your glow, followed by an anti-aging, immunity-boosting probiotic hydration.

Bespoke Wrap

Full body wrap | 45 minutes

Together with a personalised aroma of your choice, hydrating shea butter is melted and painted in long strokes onto the body, infusing the skin with vitamin E and smoothing, firming paracress extract, followed by a soothing coconut oil scalp massage.

Bespoke Polish

Full body scrub | 30 minutes

Tailored to your personalised aromas, a warm oil effleurage and an infusion of mineral salt and lavender oil combine to gently buff and deeply hydrate dry, dull skin, and unveil your glow, followed by a calming, immunity-boosting lavender hydration.

Spa

FACIAL CARE

A luxurious facial elevates the skincare experience. With distinctive facial massage techniques and 16-point acupressure, you're in for memorable treatments that provide visible results.

Marine Ultimate Facial

Intense hydration | 90 minutes

A decadent facial utilising advanced anti-aging formulas and an algae-based sheet masque to firm, tone, refine and deeply hydrate. Results are immediate, leaving skin supple, healthy and luminous.

Correcting

Brightening facial | 60 minutes/90 minutes

Advanced formulas and a rice peel-off masque target hyperpigmentation of face, neck and décolleté for immediate improvement in tone, texture and luminosity. The 90-minute brightening facial includes a luxury multi-acid peel and foot massage.

Gua Sha Facial

Instant lift | 60 minutes/90 minutes

This exclusive facial rejuvenation technique stimulates lymphatic drainage, boosts circulation and releases fascia to leave skin visibly firm, contoured and glowing.

Marine Anti-Aging Facial

Age defying | 60 minutes/90 minutes

Age-defying skincare in the form of powerful marine actives and botanicals firms and refines skin tone, condition, and function.

Natural

Customised deep cleansing | 60 minutes

An exfoliating peel, deep-cleansing massage and personally selected masque to purify, balance and nourish any skin type.

Eye Lift Treatment

Lifting | 45 minutes

An intensive eye treatment designed to diminish lines and wrinkles, treat dark circles and puffiness, and improve clarity for brighter, more luminescent skin. This treatment includes a *gua sha* lifting massage around the eye area as well as scalp *gua sha*.

Eye Rescue Treatment

Targeted rescue | 30 minutes

Targeting the delicate eye area with special attention, the Eye Rescue Treatment is ideal for reducing fine lines, dark circles and puffiness, letting skin regain its radiance.

MAMA-TO-BE

Specifically created for expectant mothers, these treatments cradle you in the gentle hands of our therapists.

Mama-to-Be

Pregnancy | 60 minutes

This gentle massage provides relief from the aches and pains of pregnancy. Includes an application of unscented Concreta to the belly and hips to help reduce the signs of stretch marks and soothe your skin.

Mama-to-Be Belly Butter

Belly and stretch mark treatment | 30 minutes

Ease the appearance of stretch marks with a Belly Butter Enhancement, a soothing infusion of clean, unscented, 98% organic Concreta.

Mama-to-Be Foot Ritual

Foot | 30 minutes

Enjoy a relaxing, soothing soak with ultra-moisturising organic shea butter, Epsom salt and arnica to help relieve tension and manage swelling in the feet. A gentle foot polish removes dull, dry skin and unscented softening Concreta shea butter balm is applied afterwards.

Mama-to-Be Polish

Full body | 30 minutes

A luscious, warm vitamin E oil application, followed by a gentle buff with sugar, salt, and shea butter brings vibrancy to dull skin and unveils your glow. Deeply nourishing organic shea butter balm is applied to dry areas to soften and protect skin.

BATH RITUALS

Indulgent rituals arranged in the privacy of your own villa. Advance reservations are required.

Bath Bliss

Discover your deepest level of relaxation with a personalised bath soak in your favorite aroma. Your detoxifying, blissful aroma sensory bath can be enjoyed self-guided or drawn for you at your preferred time.

Spa Bliss

Take a self-guided, spa-inspired ritual journey including an opulent bath soak, smoothing

body polish and fortifying probiotic body lotion enriched with shea butter to deeply hydrate and nourish your skin before bedtime.

VIP Bath Butler

Your personal Bath Butler will arrive to take you on a scent journey. An array of ultra-hydrating products in your favourite aroma will then be delivered to your villa for you to enjoy for the duration of your stay.

Spa

GENTLEMEN'S SPA EXPERIENCE

Created with an emphasis on modern gentlemen's care and well-being, our treatments focus on overall health and skincare refinement.

Groomed | 2 hours and 30 minutes

Let us guide you through a world of self-appreciation that is truly purifying and invigorating. Enjoy and relax with our muscle melt massage, followed by a pedicure to pamper and revive your feet. End with a luxurious hot towel wrap and comfortable shave.

Bio-mineral Facial | 60 minutes/90 minutes

Powerful pre and probiotics, a skin-clearing massage, a nourishing masque and a customised serum blend return the skin's microbiome to its ideal state. The 90-minute facial includes acupressure points on the face and a foot massage.

Muscle Melt Massage | 60 minutes/90 minutes

Designed for easing muscle pain and tight joints, the massage combines deep tissue techniques and Thai stretching to leave you feeling energised afterwards.

Tonic Massage | 60 minutes/90 minutes

Firm pressure and cross-fibre strokes combined with unscented coconut oil, musk-scented massage oil and heat-generating herbalised balm improve the circulation and help loosen tight muscles, particularly around the shoulders and lower back.

Age Defence Facial | 60 minutes

The ultimate in skin maintenance, a personalised facial minimises pores, diminishes fine lines and brightens tired complexions. Hands and feet are cleansed, exfoliated and massaged, while our signature face, neck and shoulder massage induces deep relaxation.

Reviving the Back | 60 minutes

Recommended for those with back issues to address, the treatment starts with an exfoliating scrub followed by a soothing mud application, and ends with a targeted back massage.

GENTLEMEN'S GROOMING

Essential grooming for the modern gentleman.

Ultimate Shave Experience | 60 minutes

Enjoy the pleasure of our traditional hot towel wet shave with a deep relaxing face massage.

The Essential Cut

A bespoke experience delivered by a well-trained and experienced professional, hair is trimmed and styled specifically to your preference. The cut includes dry shampooing and wet shampooing, as well as conditioning of the hair and scalp. A trim around the ears, neck and eyebrows are added. A forearm and shoulder massage is also applied at the end of the service.

Express Hot Towel Wet Shave | 30 minutes

The pre-shave oil is applied with a luxurious hot towel wrap, followed by a rich shaving cream and finished with a close and comfortable shave.

Eyebrow Sculpture | 30 minutes

A trained professional will determine whether wax, tweezers or just a trim is required to create the desired impact with well-groomed brows.

Hand Grooming | 30 minutes

This session focuses on a gentleman's hands and arms, ensuring the nails are impeccably manicured, and also uses in-depth reflexology.

Scalp Shave | 30 minutes

Your scalp will be gently cleansed and a luxurious pre-shave oil will be massaged into the scalp to soften the hair and prepare for a meticulous shave. The signature Hommage razor and badger hairbrush will be used to ensure the closest shave possible. An application of a soothing shave balm will cool and calm the skin and help promote cellular repair.

Shave & Shape | 30 minutes

Allow our expert barber to shave and shape your beard to elevate your holiday style.

Wellness

FITNESS

Exercise & Training Sessions

Get your heart rate up with exercise sessions custom designed by our fitness specialists.

Fitness Break | One day

Complete a different series of fitness workouts for a day. This programme is designed to bring out a clear idea of your strengths and weaknesses and enough information to change how to do your personal exercises at home.

Aquaerobics | 60 minutes

Water has a natural way of releasing the flexibility of your body, and this exercise is perfect for easing muscle tension and improving joint movements. This also speeds up metabolism and enhances sleep quality.

Circuit Training | 60 minutes

This routine helps to improve aerobics fitness, muscular strength and muscle tone. A total body conditioning workout that effectively combines endurance and resistance training performed circuit-style.

Functional Training | 60 minutes

Simply by using the weight of your body and the power of gravity, you can build muscle, burn fat, and create good energy. These exercises typically use the whole body to emphasise core strength and stability.

HIIT Training | 60 minutes

High-intensity interval training is a training technique in which you give all-out, one-hundred-percent effort through a quick burst of exercise, followed by a short active recovery period. This training regimen gets and keeps your heart rate up, helping to burn fat in less time.

Personal Training | 60 minutes

A one-on-one programme to motivate and guide you to achieve your personal fitness goals, which may include losing weight, building muscle, increasing core strength or improving cardiovascular fitness.

Pilates | 60 minutes

Pilates is based on the concept that we should be working all the muscles of the body together, in the way that they should be functionally engaging for truly healthy alignment and human movement.

Tabata | 60 minutes

The programme incorporates high interval training with each round including 20 seconds of highly intense movements followed by 10 seconds of rest. This efficient interval workout is effective and suitable for those who are short on time.

Wellness

BREATHE & MEDITATE

Aerial Yoga | 60 minutes

Aerial yoga brings awareness to your mind-body connection while also helping increase your strength and flexibility, through traditional poses that lift you off the ground with an aerial hammock. Feeling grounded in this elevated form of yoga takes deep concentration and mindfulness.

Ashtanga Vinyasa Yoga | 60 minutes

An authentic yoga practice leading to liberation and greater expression of our spiritual potential by working on our eight limbs.

Hatha Yoga | 60 minutes

Hatha yoga is renowned for building power and confidence and improving flexibility. This guided class will foster inner balance and spiritual peace of mind.

Guided Meditation | 30 minutes

A quick way to recharge and focus, achieving mental, physical and emotional healing through a journey to the inner self.

Pranayama Exercise | 30 minutes

Breath is the true foundation of providing life to the body. This ancient healing practice is an effective therapy for releasing tension in the chest and respiratory muscle, improving your quality of breath and its direct impact on your vital energy.

HEALTH ASSESSMENT

Body Alignment Assessment | 45 minutes

Our fitness and wellness specialist will guide you through different ways of aligning your body's needs. Through a private consultation, we can identify the specific areas to balance and realign your strength and focus.

Body Composition | 45 minutes

BMI analysis provides a deeper understanding of your current body mass composition, allowing you to have the highest accuracy for your present status. This will lead you to understand your body's optimal workout and identify where to improve.

Daily Diet Consultation | 45 minutes

Book a private daily diet consultation with your family or for a solo session. Our naturopathy doctor will guide you through enhancing the health of your daily intake without depriving you of your favourites.

Naturopathy "Way of Life" Consultation | 45 minutes

A personalised consultation with our naturopathy doctor to talk about health, inner peace, physical guidance and lifestyle goals.
