

OUR RESIDENT MARINE BIOLOGIST

Join our resident Marine Biologist in one of the several sessions we offer at Pullman Maldives Maamutaa Resort.

Get ready to learn fun facts about fish, from sharks and turtles to most common reef fish behavior during the Marine Biology night.

Discover the beauty of our Island while participating in our Naturalist Walk, an interesting talk&walk about wildlife, plants and fun facts about Maldives. Here, the beauty is not only below the surface.

Let your kids become marine biologist for a day, a special program dedicated for kids, to learn the secret of the ocean, fish, shells and much more.
