

FARU

WELCOME TO FARU

Faru Kids Club aims to keep your little ones entertained. From water sports lessons, art and craft activities to sharing knowledge on the marine life, our expert Kids butlers will ensure that their time with us is exciting, interesting and always full of new adventures.

KEEPING THE LITTLE ONES BUSY AND HAPPY

Learn about the coral reefs' ecosystems with "Faru Discovery" or embark on a Pirate Trip in our traditional *Dhoni. Join our origami activity to boost creativity or participate in treasure hunts for intellectual stimulation. With our wide range of kids activities, younger guests will never get bored.

**Dhoni is a traditional boat well known to the Maldivians*

KIDS' BUTLER SERVICE

Raffles Maldives Meradhoo's team of Children's Butlers will ensure your child has a holiday to remember at our resort.

AN ARRAY OF ACTIVITIES

At Faru, we have created an array of exciting activities for the youngest members of the family, with Raffles Kids' Butlers as the perfect companions. Faru is an adventure paradise for children between 4 and 12 years, where everyone will find age-appropriate entertainment.

FISH MEMORY

Learn about the different fish living around our reef while playing cards.

WHAT THE SHELL

Become a marine biologist's assistant while sorting shells & following a scientific key chart.

CORAL BINGO

Discover the corals' looks & superpowers as you play an interactive game of Bingo.

FARU DISCOVERY WITH AMANDINE VUYLSTEKE

Amandine is our passionate resident Marine Biologist with extensive knowledge about the marine ecosystem.

She hosts educational activities to connect children with the marine environment.

FARU Discovery is an interactive and funny way to learn about the tropical coral reefs and their inhabitants. The program is tailored to the participant's age, the activities will focus on the marine life that thrives on our reefs - corals, colorful reef fish, resident sea turtles, and baby sharks.

Advance booking will be required.
